

CRA Street Stocks vs. MCM Sportsman

**Saturday
March 29th**

“Spring Clash 75” General Event Info:

This is a special event featuring the CRA Street Stock and the MCM Sportsman. The event will be 75 laps (counting cautions in the first 50, and green only in the last 25). Qualifying will take place and draw for an 8, 10 or 12 inversion will be used (no sandbagging). The event will utilize CRA officials, procedures, and transponders for timing and scoring, issued at no charge, by CRA officials.

The purse: \$1,500–1,000–600–400–300–280–260–240–220–200–180–160–140–120–100 to 28th

Entry Fee is \$30 for Non-Members, Free for CRA Street Stock Members

Bonus Money to the top three finishers racing under MCM Rules/Option #1 below: \$250, \$150, \$100

General Technical Rules Info:

Chassis rules are very similar for both groups (OEM frame from front frame horns to center of rear axle-line, oem factory floor pans and firewall, etc). MCM does allow aftermarket upper A-Frame / CRA does not normally. MCM allows aftermarket bodies / CRA does not normally. MCM allows Re-buildable, Re-valvable Shocks / CRA does not normally. Both groups utilize 8” Hoosier Comanche on 8” wheels.

Competitors may choose a rules package to run under:

Option #1 – MCM Sportsman Rules (.450 max valve lift, no Dart, aftermarket, or angle plug heads other than World Products SR, etc.) with NO Spoilers. Also Allowed: 3200 lbs anytime, including after the race (no allowances), 57% max. left side. Two or Four barrel carburetors on machined motors only, but NO dual-line or double-pump carburetors. No rear-metering block. Crate engines may adjust the timing, and air bleeds and powervalves. If you are not legal under option #1, you are automatically racing under option #2. **Bonus Money** paid to top three finishers racing under this option. Full rules available a www.musiccitymotorplex.com.

Option #2 – CRA Street Stock Rules (general info below - see.craracing.net for complete rules)

3100 lbs anytime, including after the race (no allowances)

57% max left side

No Spoilers

Add 75 lbs for OEM Manual Transmission (min. 7 ¼ clutch)

Add 50 lbs for Aluminum Intake

Add 50 lbs for Roller Rockers

Add 75 lbs for Headers

Deduct 50 lbs for NO Roller Cam

Deduct 50 lbs for Engine under 365 CI

Additional CRA Rules for Special MCM Event:

Add 25 lbs for MCM legal Aftermarket A-Frame

Add 75 lbs for Aftermarket Body

Re-buildable steel shocks WILL be allowed (can't have Schrader Valve or similar)
