

Section 6

PRACTICE NIGHTS & TRACK RENTALS

1. PRACTICE NIGHTS

- 1.1 Open "Tune & Test" practice sessions will be scheduled.
- 1.2 Cars are to line-up at designated location to await their rotation
- 1.3 Each car will be allowed the maximum number of laps per rotation. Cars may re-enter the line as many times as time permits
- 1.4 Everyone must sign-in at back gate and pay the appropriate fee to enter. Parent and guardian must sign minor release for all persons under eighteen years of age
- 1.5 Other scheduling and or speedway business may preempt "Tune & Test" practice days
- 1.6 On practice days, under no circumstances enter the race track before signing in and paying the appropriate fees.

2. TRACK RENTALS

- 2.1 The race track is available for exclusive use and private practice at other times. Call office for availability.
- 2.2 Up to six (6) cars may be present for track rentals, however only one (1) car is permitted on the track at any given time.
- 2.3 Track rental times are available in the early afternoon and evening hours, call MCM office for times.
- 2.4 Rental fees must be paid before cars enter restricted area
- 2.5 A "clean-up" charge will not be added if area is in like manner at completion of rental.
- 2.6 No one is allowed to enter the race track until their scheduled rental time.
- 2.7 Before entering the pit area, unloading car or any other activity, all drivers and participants must complete rental forms and release forms at track office. Failure to do so will end session, forfeits all money paid and loss of all future rental privileges
- 2.8 Competitors must wait until all safety and medical staffs are in position and ready before entering the racing surface
